Sir,

Sharavathy Valley Project - Education Establishment.

In continuance of this office letter No.584/S. dated 28-5-57 requesting sanction of Government for the establishment required for running a Middle School at Kargal, I write to state that it is reported by the Superintending Engineer, Sharavathi Valley Circle that, for meeting the requirement of the entire project area in the matter of educational facilities, two more Middle Schools - one at Iduvani and another at Linganamakki, have to be opened. There are 110 staff quarters at Linganamakki and 90 at Iduvani. The labour population in each Colony is expected to be over 5,000 during the working season. It is also reported that the Sharavathy Valley Hydro-Electric Committee, at its meeting held on 5-6-57 at Jog, approved the proposal to open New Type Middle Schools at Kargal, Iduvani and Linganamakki. Buildings for locating the Schools at Iduvani and Linganamakki are also reported to be nearing the stage of completion. The enclosed proposition statement which has been prepared by the Superintending Engineer, in consultation with the District Educational Officer, Shimoga, shows the staff required for running the Schools. The cost on account of this is proposed to be met out of the provision for Establishment in the Project Estimate.

In these circumstances, I request the favour of early communication of sanction of Government to the establishment proposed for the Middle Schools at Kargal, Iduvani and Linganamakki.

Yours faithfully,
